## Professional Summary

I'm a Multidisciplinary designer & 3D artist with five years of industry experience, currently completing a Master's at RMIT. I'm looking to step into part-time opportunities while I study, bringing strong skills in Adobe Creative Suite and Blender 3D, along with solid familiarity with studio environments and production workflows.

## Work Experience

### Saxall Video & Animation AU

*Apr 2025 – Nov 2025*

(Part Time) Motion Designer | Abbotsford, MEL VIC

- Executed end-to-end motion design, character animation, video editing for corporate and branded content, delivering high-quality assets on deadline within a fast-paced studio production pipeline.
- Collaborated cross-functionally with producers and designers to translate creative briefs into effective motion solutions, ensuring brand consistency, efficient revision cycles, and on-time project delivery.

### Champion Parts AU

*Jul 2024 – Jul 2025*

(Part Time) Multimedia Designer | North Melbourne, MEL VIC

- Managed social media content and WordPress website updates. Delivering editorial layout support for marketing materials to maintain brand consistency and timely campaign rollouts.

### The Sneaker Laundry AU

*Oct 2023 – Jan 2024*

(Contract) Social Media Marketing Designer | CBD, MEL VIC

- Collaborated on ideation and production of creative content, marketing assets, and edited video deliverables to support cross-platform campaign rollout.

### Made it Media MY

*Oct 2020 – Oct 2022*

(Full time) Junior Multidisciplinary Designer | KCH Malaysia

- Delivered a diverse range of creative outputs including graphic design, illustration, product photography, videography, video editing, and motion graphics, supporting multi-channel client campaigns.

## Education

### Master's in Animation, Games & Interactive media design

*Royal Melbourne Institute of Technology, MEL Australia*

### Bachelor's degree in design, Major in Motion Design

*Swinburne University of Technology, MEL Australia*

### Diploma in Graphic & Multimedia Design

*Sunway University, KUL Malaysia*
